Joint Coordination and Monitoring Board (JCMB)

The Afghan Government and the international community have agreed to establish a Joint Coordination and Monitoring Board (JCMB) for overall strategic coordination of the implementation of the Afghanistan Compact after the endorsement of the Afghanistan Compact and the interim Afghanistan National Development Strategy (I-ANDS) at the London Conference and the ensuring Security Council Resolution No.1659.

The JCMB will ensure greater coherence of efforts by the Afghan Government and international community to implement the Compact and provide regular and timely public reports on its execution.

Objectives – The Board is a high level decision making body focusing on resolving strategic problems arising from the implementation of the Afghanistan Compact with three specific objectives:

- (i) Provide high-level oversight of progress in the implementation of the political commitments of the Afghanistan Compact
- (ii) Provide direction to address significant issues of coordination, implementation, financing for the benchmarks and timelines in the Compact, and any other obstacles and bottlenecks identified either by the government or the international community
- (iii) Report on the implementation of the Compact to the President, National Assembly, the UN Secretary General, the donors, and the public.
