

COP21 Key Figures

The Paris-Le Bourget site

- 80 000m² of existing spaces
- 80 000m² of temporary spaces to be built
- 15 000m² of space sold to delegations that want a pavilion or offices (price per m²: €400 before tax, €480 tax included), of which 4000m² had been reserved by 27 May 2015.
- 50 service providers mobilized to set up the Paris-Le Bourget site.

The Conference

- Over 40,000 participants expected
- Capacity to host 20,000 visitors in the Climate Generations areas
- 20,000 people accredited for the conference centre
- Over 3000 accredited journalists
- 196 Parties represented: 195 countries + the European Union
- 117 organizations took part in the consultations (in French and English) launched by the COP21 General Secretariat in December 2014 on setting up a dedicated civil society space
- A budget of €170 million will be spent in total (and the aim is to raise 20% of this sum through sponsorship)
- 1st capitalization of the Green Climate Fund: \$10.2 billion
- COP21 “finance” target: mobilization of \$100 billion per year by developed countries, from public and private sources, from 2020
- COP21 will bring in €100 million to the Île-de-France region (on top of €170 million in public spending), as a result of miscellaneous spending by participants (accommodation, meals, purchases, etc.), according to the congress and conference office of the Paris tourist board
