INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS

PARLIAMENTARY ELECTIONS
REPUBLIC OF ALBANIA
25 June 2017

Following an official invitation from the government of the Republic of Albania and based on the recommendation of the Needs Assessment Mission conducted from 6 to 9 March 2017, the OSCE/ODIHR has established an Election Observation Mission (EOM) to observe the parliamentary elections scheduled for 25 June 2017. Ambassador Peter Tejler has been appointed Head of the OSCE/ODIHR EOM. The mission consists of an additional 13 core team members based in Tirana, and 26 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a total of 23 OSCE participating States.

The OSCE/ODIHR requests participating States to second **three hundred (300)** short-term observers (STOs) to observe voting, counting, and the tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the OSCE/ODIHR EOM. In the interest of a broad and balanced representation among participating States, the OSCE/ODIHR requests that individual participating States nominate only up to 15 per cent of the total number of requested STOs.

Committed to achieving gender balance in its activities, the OSCE/ODIHR encourages OSCE participating States to second equal numbers of female and male STOs.

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Republic of Albania prior to arrival. It is necessary to obtain a visa before departure, as it is not possible to get it upon arrival.

To facilitate accreditation of observers through the CEC and the issuance of visas (if required), the OSCE/ODIHR online registration form must be completed **no later than 5 June 2017**. All STOs are required to arrive in Tirana by **Wednesday 21 June** and depart (at the earliest) on **Wednesday 28 June** in the morning. The STO activity schedule is provided below.

Observers should strictly abide by the OSCE/ODIHR Observer Code of Conduct and deployment plan prepared by the OSCE/ODIHR EOM. The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive a security briefing upon arrival and are required to operate in accordance with security guidelines.

The working language of the EOM is English. All briefings, de-briefings, and reporting will be conducted in English and all interpreters will work in local languages/English. All STOs must, therefore, have a good working knowledge of both written and spoken English.

The OSCE/ODIHR strongly encourages all observers to undertake the OSCE/ODIHR comprehensive e-learning course for observers, available at www.odihrobserver.org.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE OSCE/ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

2. Logistics

a) Contact details

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

Ranko VUKČEVIĆ, Operations Expert

e-mail: ranko.vukcevic@odihr.al; mobile phone: +355 69 7593612

b) Transportation/Accommodation

All STOs will be met at the Tirana International Airport (IATA: TIA) by an OSCE/ODIHR EOM representative upon their arrival and transported to their accommodation. Transport and accommodation in Tirana and in the areas of observation will be arranged by the EOM. **Due to the limited availability of accommodation in Tirana and the observation areas, STOs should be aware that double occupancy per room of observers of the same gender is possible, and relatively modest conditions may be expected in some of the observation areas.**

For safety reasons and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the OSCE/ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars, and interpreters.

However, should any of the observers choose not to stay in the accommodation arranged by the OSCE/ODIHR EOM, the seconding States should indicate this while registering online. **If the OSCE/ODIHR is not notified in advance, STOs or the**

respective OSCE seconding State will be charged for the cost, regardless of whether the accommodation provided is used. It should be noted that the EOM cannot provide airport transfers and in-city transportation for STOs who choose to stay outside the designated accommodation.

STOs will deploy from Tirana to the regions by bus or car.

The OSCE/ODIHR EOM will make necessary arrangements for the STOs to return to Tirana on Tuesday, 27 June, as well as arrange accommodation in Tirana. The EOM will arrange transfers to the airport for all STOs.

c) Security

A memo on security details for the STOs will be handed over to the observers upon arrival. **STOs who choose not to stay in accommodation provided by the OSCE/ODIHR EOM will not be covered by the mission's security arrangements.**

d) What to bring

Due to potential modest conditions in the regions, STOs are advised to bring with them the following items:

- appropriate attire for election day observation – business casual is recommended;
- torch/flashlight with spare bulb and battery;
- all necessary medication (case-specific);
- electricity converters (if needed) – European style plug.

The OSCE/ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into their hand luggage, in case of late arrival of their luggage in Tirana.

e) Communication

Each STO will be provided with a mobile phone and a local SIM card with credit. Please note that using mobile phones for international calls and SMSs should be avoided. Such usage is very expensive and will quickly deplete allocated phone credit.

f) Time zone/Flight bookings

Local time in the Republic of Albania is UTC/GMT +2 hour (Central European Summer Time). Due to the limited number of scheduled flights to Tirana, the OSCE/ODIHR EOM strongly encourages seconding States to make early flight bookings. To ensure operational flexibility, (e.g. in case of bad weather conditions), seconding States are advised to book changeable airline tickets.

3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the OSCE/ODIHR EOM. The OSCE/ODIHR EOM will assist each short-term observer team with finding a driver/car and an interpreter. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order that both members of the team can have full access to complete and equal information as they carry on their observation duties.

4. Costs

It is projected that, while in country, **each STO** will incur the following costs, although some STOs may not require the full amount indicated below:

Operational/Transportation Cost	EUR
Airport transfers	20
In-City Transportation (movement to and from STO briefing/de-briefing)	10
In-Country Transportation (to and from deployment area)	40
Communication (SIM card/mobile phone use)	15
Transmission of observation forms per observer	10
Briefing costs (Briefing, Debriefing, Briefing pack, meals)	160
Estimated cost to be incurred by ODIHR on behalf of STOs	255 EUR
Driver/Car (EUR 25 per day @ 5 days per observer) *	125
Fuel (Maximum EUR 15 per day @ 5 days per observer) *	75
Interpreter (EUR 25 per day @ 5 days per observer) *	125
Accommodation (Minimum 7 nights @ max EUR 105/per night)	735
Meals & Incidentals (approx. EUR 60 per day @ max 8 days)	480
Accommodation and meals for Interpreter if needed (EUR 30 per night @ 4 nights per observer) *	120
Accommodation and meals for Driver if needed (EUR 30 per night @ 4 nights per observer) *	120
Costs paid directly by the observers	1,780 EUR
Total cost per observer:	2,035 EUR

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. for each STO).

The total cost per observer is estimated at **EUR 2,035** (two thousand and thirty-five Euro), including **EUR 1,780** (one thousand seven hundred and eighty Euro) which the seconding States should supply to each observer in cash prior to their departure to Tirana.

EUR 255 (two hundred and fifty-five Euro) is the projected cost per each STO to be incurred by the OSCE/ODIHR. After closure of the EOM, each seconding State will be billed by the OSCE/ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro is widely exchangeable locally, although other currencies can also be exchanged. While there are cash machines (ATMs) in Tirana, they do not dispense foreign currency and are not available in some areas of deployment. Hotels outside Tirana may not accept credit cards or foreign currency. STOs should be prepared to pay hotel bills outside Tirana in cash and upon check-in. Travellers cheques must not be used. The local currency is the Albanian Lek (ALL). The exchange rate is 1 EUR \approx 135 ALL.

5. Visas and Insurance

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Republic of Albania prior to arrival.

For STOs without an embassy or consulate of the Republic of Albania in their country of residence, seconding States are requested to inform the OSCE/ODIHR office in Warsaw (Sylwia Zwolinska or Anna Krzysztofik – see below), as soon as possible in order to receive support, if necessary, with issuance of visas.

IMPORTANT: All short-term observers should ensure that they arrive with adequate health, accidental/life disability, emergency/medical evacuation, property, theft and accident insurance, as this will not be provided by the OSCE/ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).**

6. Registration and Accreditation Process

Registration of STOs

After receiving this information sheet, all OSCE participating States sending STOs should submit **a list of names** (first name, last name, passport number) of seconded STOs to the OSCE/ODIHR **for the attention of Sylwia Zwolinska or Anna Krzysztofik**.

Sylwia Zwolinska, Senior Administrative Assistant,
telephone number: +48 22 520 06 00, ext. 5676; fax number: +48 22 520 06 06
e-mail: sylwia.zwolinska@odihr.pl

Anna Krzysztofik, Senior Programme Assistant,

e-mail: anna.krzysztofik@odihr.pl

An official cover letter from MFAs or designated recruitment organizations should be sent together with the list of STO names.

After submitting the list of STOs, the seconding State should register each of their proposed candidates online using the Registration Form available at:
<http://stodb.odihr.pl>

This online Registration Form will be available from 22 May until 5 June 2017.

Before using the online registration system, the seconding State should contact the OSCE/ODIHR, Sylwia Zwolinska or Anna Krzysztofik, and obtain a username and a password. These parameters are necessary to enter the registration system.

IN ORDER TO MAKE ALL LOGISTICAL ARRANGEMENTS ON TIME, NO APPLICATIONS WILL BE CONSIDERED BY THE OSCE/ODIHR UNDER ANY CIRCUMSTANCES AFTER 5 JUNE 2017.

7. Other Information

Please note that all OSCE/ODIHR election observation interim reports, preliminary statements, final reports, election laws, and reviews of election laws are available at the OSCE/ODIHR website: www.osce.org/odihr.

Specific information on the EOM is available on the EOM website: <http://www.osce.org/odihr/elections/albania/311161>.

25 JUNE 2017

Post title: Short-Term Observer (STO)

Title of Supervisor: Head of the OSCE/ODIHR Election Observation Mission (EOM)

STOs are deployed throughout the country in multinational two-person teams to assess the close of the campaign, voting, counting and the tabulation of results. Participating States are urged to second STOs with relevant election experience and inter-personal skills.

STOs must adhere to the OSCE/ODIHR Observer Code of Conduct, as outlined in the OSCE/ODIHR Election Observation Handbook, security instructions, and national laws.

3. Excellent health;
4. Willingness to work long hours in conditions which are sometimes difficult;

Knowledge of the country and surrounding region is desirable but not essential. STOs must be prepared to read briefing materials, attend briefing and de-briefing sessions, understand procedural instructions and complete evaluation forms accurately, all in English. Local language ability is an asset. STOs must not have any concurrent commitments that could produce a conflict of interest with the EOM.

The OSCE/ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the OSCE/ODIHR Observer Code of Conduct.

STOs are kindly asked to refrain from commenting on mission-related issues via social media. In line with the Code of Conduct for ODIHR Observers, media communications regarding the electoral process and the substance of observations should be made only by the Head of Mission, ODIHR Spokesperson, or other responsible ODIHR officials.

DUTIES AND RESPONSIBILITIES

Accreditation

STOs require accreditation from the relevant authority before they can undertake their observer duties. The EOM will forward the names and personal data of STOs to the relevant authority in advance to facilitate the accreditation process.

Briefing

Before deployment, STOs will be provided with an in-depth briefing, which will include:

- code of conduct;
- legislative framework;
- overview of the country, campaign and the media situation;
- voting, counting, and tabulation procedures;
- observation forms;
- security situation;
- logistical and financial arrangements.

STOs will also be provided with briefing materials which will include all necessary electoral and logistical information, as well as observation forms to complete during the observation of voting, counting, and vote tabulation.

Deployment

The OSCE/ODIHR EOM will develop a deployment plan. STOs should strictly abide by the deployment plan and security instructions. STOs should not request special treatment with regard to deployment locations.

Debriefing

A debriefing for STOs will be organized after the election. This will provide an opportunity for STOs to discuss their main findings and share their conclusions with other observers and EOM members. The EOM will hold a press conference on the day after the election to present its preliminary findings and conclusions. A comprehensive final report will be issued by the OSCE/ODIHR approximately two months after the electoral process has been completed, taking into account findings of all observers.

- Observers will base all conclusions on their personal observations or on clear and convincing facts or evidence.
