Success: Books by French authors are being snapped up abroad

The rights for 14,087 books were transferred or copublished in 2016 for over 45 languages.

Over the last ten years, this figure has increased by 120%.

- Copublications are up 5% compared with 2015.
- 16% of digital rights are transferred simultaneously.

Children’s literature and graphic novels/comics together represent over 50% of transfers:

- 1 in every 3 books transferred is for children’s literature;
- 1 in every 4 books is a comic/graphic novel.

The main languages of translation are

- Chinese
- Italian
- Spanish

Over 1,000 contracts signed for each of these languages.
